

CASE SCOUT FOR META QUEST 3

Case for Meta Quest 3

REF : UA-864000114G4G

EAN : 840283923760

EXISTS IN : CLEAR

DESCRIPTION :

Lightweight, durable, and ready for anything. The UAG Scout IML case combines durable polycarbonate protection with a customizable IML hex design for a bold, modern look. Designed with raised camera edges, precision-cut vents, and full sensor compatibility, it protects your Meta Quest 3 without compromising performance.

STRENGTHS :

- **Made for Meta certified:** Ensures compatibility and performance.
- **Durable construction:** Lightweight, impact-resistant PC material for premium protection with a customizable IML hex design.
- **Raised bezel:** Helps protect the lenses from scratches and impacts.
- **Integrated air vents:** Optimized heat management.
- **Easy installation:** Quick and simple snap-on installation.
- **Drop-tested protection:** Meets military drop-test standards for premium durability (MIL-STD 810G 516.6).
- **Compatibility:** Made for Meta certified and compatible with Meta Quest 3 and Meta Quest 3S. Compatibility with third-party accessories, non-Meta components, or modified parts is not guaranteed and may affect fit, performance,

or protection.

CHARACTERISTICS :

- **Designed for Meta:** Optimized design for a perfect fit and compatibility.
- **Ventilated design:** Promotes heat dissipation for optimal performance.
- **Raised bezel:** Protects the camera lens from scratches and impacts.
- **Snap-on installation:** Quick and easy clip-on installation.
- **Shock and scratch resistant:** Provides reliable everyday protection.
- **Ultra-lightweight:** Protects your device without adding unnecessary bulk.

COMPATIBILITY :
