

CASE PLYO FOR META QUEST 3S

Case for Meta Quest 3S

REF : UA-864003114G4G

EAN : 840283923944

EXISTS IN : CLEAR

DESCRIPTION :

The UAG Plyo case for Meta Quest 3 features an ultra-light co-molded design with a rigid translucent armored shell and a soft, shock-resistant core. Designed for full protection, it includes raised camera edges, precise sensor cutouts, and vents for optimal heat dissipation. Its snap-on installation lets you gear up and go in an instant.

STRENGTHS :

- **Made for Meta certified:** Ensures compatibility and performance.
- **Translucent co-molded PC + TPU construction:** Durable protection with a raised bezel that safeguards the lenses from scratches and impacts.
- **Integrated air vents:** Optimized heat management.
- **Secure sensor cutouts:** Full functionality without compromise.
- **Drop-tested protection:** Meets military drop-test standards for premium durability (MIL-STD 810G 516.6).
- **Compatibility:** Made for Meta certified, compatible with Meta Quest 3 and Meta Quest 3S. Compatibility with third-party accessories, non-Meta components, or modified parts is not guaranteed and may affect fit, performance, or protection.

CHARACTERISTICS :

- **Designed for Meta**
- **Ventilated design for heat dissipation**
- **Co-molded construction**
- **Snap-on installation**
- **Raised bezel for camera lens protection**
- **Ultra-lightweight**
