Bird bath with camera, solar-powered, AI identification, live view, instant notifications

REF : BI-EPPAMBNBBB00420

EAN : 0810198940626

EXISTS IN : BROWN

DESCRIPTION :

Birdfy Smart Bird Bath with Camera – Solar, AI & Instant Notifications

Give birds an elegant water spot while enjoying a unique birdwatching experience. The **Birdfy Smart Bird Bath** combines a stone-textured bird bath with a discreet 1080P camera, so you can watch and record your feathered visitors in real time, wherever you are.

Thanks to its **built-in solar power** and **rechargeable battery**, this bird bath operates autonomously all year round. The **AI identification** detects bird species and sends you **instant alerts** when birds land, so you never miss a magical moment.

Its **eco-friendly modular design** (20% recycled plastic) and tool-free assembly system allow for quick installation and easy expansion. With **Full HD video recording** and **FREE 30-day cloud storage**, you can share your best clips with family and friends.

An **ideal gift for all bird lovers** and nature enthusiasts, perfect for the garden, patio, or balcony.

STRENGTHS :

- **Smart bird bath with built-in camera**

Stone-textured design, discreet camera for real-time birdwatching.

- **Full HD 1080P video**

Record in 1080P at 30 fps for clear images or 60 fps for ultra-smooth motion.

- **Solar power & rechargeable battery**

Integrated solar panel for sustainable energy and enhanced year-round autonomy.

- **Eco-friendly modular design**

20% recycled plastic, tool-free slot-in assembly system, quick to install and easy to expand.

- **Weatherproof (IP66)**

Fully waterproof and designed to withstand all seasons.

- **AI identification & smart alerts**

Bird identification and instant notifications on your smartphone when a bird lands.

- **Live view & cloud storage**

Live view access via the app, with **30 days of free cloud storage** for videos and photos.

- **Perfect gift for bird lovers**

Ideal for Christmas, birthdays, or any occasion for gardeners, families, and nature enthusiasts.
