

HEAR-O HEADPHONES (3.5MM) BLACK / BLUE EDU

Durable and Comfortable 3.5 mm (Jack) Headphones,
Designed for the Classroom

REF : ST-936-515Y-01

EAN : 1220000770676

EXISTS IN : BLUE

DESCRIPTION :

Universal compatibility and durability designed for the school environment: the Hear-o 3.5 mm connects to any device with an audio jack, delivering clear stereo sound, a sturdy fixed-position microphone, and inline volume control. With reinforced braided cable, integrated cable management, and drop-tested construction up to 2 m, they provide all-day comfort thanks to their lightweight design and padded ear cushions. A robust and comfortable solution that ensures communication and focus in the classroom, hassle-free.

STRENGTHS :

- Universal compatibility: works with any device with a 3.5 mm audio jack.
- Robust and reliable design, built for classrooms and high-use environments.
- All-day comfort: lightweight with padded ear cushions.
- Integrated cable management for better organization and durability.
- Fixed-position microphone and inline volume control for clear communication and easy use.
- Reinforced cable withstands daily use and reduces damage from tugs or tangles.
