

ENJOY SMART WATCH KIDS BLUE

Kids GPS Smart Watch with calling and video calling, SOS button, secure chat, and configurable school mode

REF : SV-GPS-ENJOY-AZUL

EAN : 8495390714392

EXISTS IN : BLUE, BLACK, PINK

DESCRIPTION :

Enjoy is a kids GPS watch designed for children aged 4 to 7. It offers accurate real-time location tracking, secure calls and video calls, a chat with parental control, and an SOS button for emergencies. It also includes kid-friendly games and glitter-effect straps, all designed for comfortable wear and to give parents peace of mind.

STRENGTHS :

- Designed for young children: size, games, and attractive design (glitter/shiny effect).
- Peace of mind for parents: real-time location, alerts, and direct communication.
- Easy parental control: intuitive app to manage contacts, schedules, and modes (school/SOS).
- Full communication without a smartphone for the child: voice, video, and supervised chat.
- Child-friendly materials: hypoallergenic silicone strap and design resistant to daily use.
- Ideal as a safe and practical gift for a first connected device.

CHARACTERISTICS :

- Dimensions: 21.8 x 3.8 x 1.5 cm.
- Screen: 1.4".
- Processor: ASR3603.
- Battery: 650 mAh.
- Geolocation: instant and accurate positioning (GPS and/or available methods depending on the model).
- Communications: voice calls and video calls compatible with the app.
- Secure chat: messaging controlled via the parental app.
- SOS button: immediate alert sent to predefined contacts.
- Anti-bullying mode: features to protect the child from unwanted contacts (depending on configuration).
- Built-in games: age-appropriate games for entertainment.
- Configurable school mode: mutes or limits functions during school hours.
- Straps: glitter-effect straps and hypoallergenic silicone.
- Compatible app: management and configuration via the parental app (iOS/Android).

- History and geofencing: route tracking and the ability to set safe zones (geofencing) — check availability in the app/service.
- Compatible with 4G/5G SIM cards (requires a minimum data plan of 260 MB/month) and management of authorized contacts.
