

JBL EASYSING MICS

Wireless AI-powered microphones with real-time vocal removal

REF : HA-JBLEASYSINGMICS

EAN : 1200130032752

EXISTS IN : BLACK

DESCRIPTION :

Experience the karaoke nights of your life with the JBL EasySing Mics. With just one press, you can turn all your favorite songs into instant karaoke tracks. AI vocal removal lets you reduce the original vocals by 25%, 50%, or even 100%, so you can sing at your own level without needing any special mixes or setups. Plug the USB-C dongle into your JBL PartyBox* speaker, hit play, and give it all you've got. Plus, with pitch correction and natural reverb, even the sharpest notes will sound iconic.

Not only is it designed to help you perform at your best, it's also wireless and easy to take anywhere. And with up to 10 hours of battery life, you can keep singing long into the after-party. Whether you're singing all together or going solo, you'll always be center stage.

* Compatible with PartyBox Encore 2, PartyBox Encore Essential 2, PartyBox On-The-Go 2, PartyBox Club 120, PartyBox Stage 320, PartyBox 520, PartyBox 720
