MagSafe folio for iPhone 16 Pro Max

REF : DE-D25IPO16PMDW5

EXISTS IN : racine

DESCRIPTION :

The detachable iPhone wallet is a 2-in-1 solution for your iPhone and everyday essentials. The interior features a 3-slot card holder and plenty of space for banknotes and other essentials. The detachable back shell is secured with integrated magnets, offering effortless connection to the wallet for optimum transition between wallet case and back shell. For the new iPhone 16, the detachable wallet will now include our fully wrapped full-grain leather back shell for a more premium and durable product. The latest edition of our Detachable Wallet now includes MagSafe technology in the back shell section of the case. Integrated magnets ensure that your iPhone is perfectly aligned. Simply leave the case on your iPhone and attach your MagSafe charger, or use it with other MODU accessories. The Detachable Wallet for iPhone 16 is made from high-quality full-grain leather from ECCO Leather[®] that ages and tells your story. It combines functional and innovative design with uncompromising durability.
