GAN 140W DESKTOP CHARGER, 4 USB C PORTS WITH POWER DISTRIBUTION

Chargeview™ 140W desktop charger

REF : SA-ST-C4CV140C-EU

EAN : 0810086362868

EXISTS IN : BLACK

DESCRIPTION :

The Satechi ChargeView™ 140W Desktop Charger brings intelligent, high-performance power to the modern workspace with a refined desk-first design and real-time charging visibility. Built for professionals and hybrid workers managing multiple devices, ChargeView delivers fast, reliable USB-C power while its integrated digital display reveals exactly how power is distributed across connected devices.

Advanced GaN technology enables efficient, high-output charging in a compact form that replaces cluttered adapters with one calm, capable power hub. With universal USB-C compatibility and a precision dual-orientation stand, ChargeView fits naturally into modern desks built around laptops, tablets, phones, and everyday accessories.

STRENGTHS :

- Real-Time Digital Display
- 4x USB-C Charging Ports
- Advanced Fast Charging
- Smart Power Distribution
- GaN Technology
- Dual-Orientation Stand

CHARACTERISTICS :
