DESCRIPTION :

A modern interpretation of a design developed in Milan at the end of the 19th century. The smooth stainless steel mesh wraps fluidly around your wrist. It has a seamless connection to your Apple Watch and is also water and sweat proof. The Milan Traction Strap makes use of a magnet system with a concealed closure for an easy and secure fit. The magnet system allows the strap to fit almost all wrists. The light weight and ultra-thin design offer ultimate comfort while the stainless steel makes the strap incredible durable.

STRENGTHS :

- Crafted from premium stainless steel mesh with a luxurious titanium-inspired finish, the Milan Traction Band delivers a lightweight yet durable wearing experience.
- The finely woven structure creates a seamless, flexible fit around the wrist, while the magnetic closure system ensures effortless adjustability and all-day comfort.
- The band perfectly complements the bold design language of the Apple Watch Ultra.
- Its sleek silhouette and precision-engineered details elevate both casual and professional looks with understated elegance.
- Designed for those who appreciate timeless aesthetics without compromising functionality, the Milan Traction Band combines comfort, durability, and contemporary style in one iconic accessory.
- Elevate your Apple Watch Ultra with the Milan Traction Band — where minimal design meets premium performance.
