An everyday companion

Slip on your over-ear JBL Live 780NC headphones and elevate the sound of every moment in your day. JBL Signature Sound, rich and immersive, along with Hi-Res certification, makes your playlists, podcasts, and videos even more engaging. Adaptive Noise Cancelling (ANC) 2.0 with six microphones removes distractions so you can focus, relax, or simply enjoy peace and quiet. The updated over-ear design looks as good as it feels, with earcups engineered for comfort and acoustic precision, a sturdy metal hinge for increased durability, and a sleek, modern look that suits your style. Calls sound natural and clear thanks to the AI algorithm, while the lightweight construction keeps you comfortable during long periods of work, travel, or rest. With easy in-app controls to customize your sound, earcups, and buttons, a design that folds in seconds, and a battery that lasts for days*, the Live 780NC is built to fit effortlessly into your everyday life.

*Up to 80 hours with ANC off
