EAN : 650450364926

EXISTS IN : BLACK, CLEAR

DESCRIPTION :

The Edge Hardshell is a rigid case specifically designed to protect your MacBook Neo without turning it into a bulky laptop. Made from Makrolon® polycarbonate, it combines professional-grade durability with an ultra-thin, lightweight design, making it perfect for students, new Mac users, or anyone who carries their Neo around every day.

It fits the MacBook Neo like a second skin while keeping all ports, buttons, and indicator lights fully accessible. Its matte finish also helps keep your laptop looking like new by preventing scratches and fingerprints.

STRENGTHS :

- **Tailored protection for MacBook Neo:** specifically designed for the NEO model.
- **Maximum durability, minimal weight:** protects against light bumps, scratches, and daily wear without adding unnecessary bulk.
- **Low-profile design:** preserves the Neo's clean and elegant silhouette, perfect for backpacks and slim sleeves.
- **Full access:** all ports, buttons, and indicator lights remain fully accessible.
- **Premium matte finish:** reduces fingerprints and scratches, keeping your laptop looking clean and refined for longer.
