AIRFLY PRO 2 TRANSLUCENT TRANSFORMATIVE TEAL

Translucent wireless transmitter for wireless headphones

REF : TW-TS-2613

EAN : 810189131248

EXISTS IN : PINK, WHITE, BLACK, GREEN

DESCRIPTION :

AirFly Pro 2 Translucent by Twelve South is a compact Bluetooth adapter that turns **any 3.5 mm audio jack into a wireless device**.

Connect it to an airplane entertainment system, a gym treadmill, your old stereo, or a handheld console, and use your **favorite Bluetooth headphones** (AirPods, Bose, Sony, etc.) completely wire-free.

Its compact translucent design is made for travel: it takes up very little space, features physical volume controls, and offers enough battery life to last even the longest flights.

It also lets you connect **two pairs of headphones at the same time**, making it perfect for sharing movies, TV shows, or music without disturbing anyone.

STRENGTHS :

- Turns any 3.5 mm audio output into Bluetooth.
- Perfect for flights: enjoy in-flight entertainment with your own wireless headphones.
- Allows pairing **two Bluetooth headphones at the same time** (audio sharing).
- Also works with gym treadmills and bikes, handheld consoles, TVs, and classic stereo systems.
- Compact, lightweight translucent design, easy to carry in your pocket or attach to a backpack.
- Simple physical controls for volume and pairing.
- High-quality sound and stable connection.
- Leading brand: more than 1,000,000 units sold every year in over 60 countries.

CHARACTERISTICS :

- Type: Bluetooth audio adapter with 3.5 mm connector.
- Modes: Bluetooth transmitter (TX) for sending audio from any 3.5 mm jack to wireless headphones or speakers.
- Connectivity: Bluetooth (modern version, compatible with most current headphones).
- Dual pairing: connect up to 2 Bluetooth headphones simultaneously.
- Battery:
 - Battery life: **more than 25 hours** of continuous use.
 - Charging: via **USB-C**.
- Controls: physical (+ / -) buttons and pairing button.
- Audio compatibility: any device with a 3.5 mm audio output (airplanes, consoles, computers, TVs, car stereos, gym equipment, etc.).
- Portability: ultra-compact size; includes integrated short 3.5 mm cable/plug.

COMPATIBILITY :

Prise Jack
