USB-C SNAP HUB (BLUSH)

USB-C Hub 6-in-1 For Surface Macbook Neo

REF : SA-ST-HUSNP

EAN : 0810086364190

EXISTS IN : BLUE, PINK, SILVER, YELLOW

**DESCRIPTION :**

The only dual-pin hub that works with MacBook Neo. Every other dualconnector hub on the market fails on the Neo's asymmetric USB 3 / USB 2 ports. The NeoHub Mini is engineered from the ground up to route video and data through USB 3 and charging through USB 2 — delivering a flush, color-matched setup that no competitor can offer. Two-tone design with anodized aluminum top and soft-touch bottom.

CHARACTERISTICS :

- (1x) HDMI 4K @ 60 Hz
- (1x) USB-C 5Gbps – fast data transfer
- (1x) USB-A 5Gbps — fast data transfer
- (1x) microSD card reader @ 104MB/s
- (1x) SD card reader @ 104MB/s
- (1x) USB-C PD passthrough (45W)
