DESCRIPTION :

Engineered for urban exploration and everyday adventurers, the Urban Combat delivers exceptional protection without sacrificing style. Its reinforced construction in recycled plastic and slim profile have been drop-tested up to 4.8 m, providing top-level resistance to shocks, drops and the toughest daily wear.

Designed for modern life, the case supports wireless charging and MagSafe so you can stay powered without removing protection. The oversized, reinforced camera block shields your lenses from impacts and scratches — keeping your photos and selfies safe in any situation.

Durable finish and thoughtful details: the Urban Combat features an anti-yellowing treatment and comes with our 1-Year Anti-Yellowing Guarantee for long-lasting looks. Lightweight and ergonomic, its slim profile offers a secure, anti-slip grip while remaining comfortable in hand.

Versatile and contemporary, this case is the ideal companion for anyone seeking military-grade performance in daily life — durability, protection and style in one. DARE TO CARE: protect your iPhone 16 Pro with purpose and flair.
