EAN : 0879961004866

EXISTS IN : BLACK

**DESCRIPTION :**

This compact Bluetooth remote is handy for controlling your music without touching your smartphone or tablet. Small and easy to install, it lets you manage playback, volume and track changes from a distance — whether you're in the car, on your bike, at the office or at home. Its discreet, portable design makes it the perfect accessory to keep effortless, wireless control of your media every day.

STRENGTHS :

- One-touch control for play, pause, track, and volume functions
- Bluetooth connectivity works up to 40 feet away
- Attaches easily to steering wheel or dashboard
- Enables safe, hands-free media control while driving
