**DESCRIPTION :**

The iGlaze for iPhone shell-case was designed for owners who prefer minimalist-style protection that serves to accentuate the unique look of the iPhone 4/4S while protecting it from damage. iGlaze excels at protecting the iPhone from scratches and shocks without compromising its form and functionality. All of the iPhone buttons are easily accessible while in the iGlaze case and photos taken with flash are unaffected. The outside of the case is surface treated with a specialized coating that provides an unrivaled look and feel. It also comes with a buffer film to offer added backside scratch protection, keeping your iPhone flawless despite rigorous use. Available in various dual-tone colors as well as crystal clear, Moshi's iGlaze
