**DESCRIPTION :**

Made of IonGlass™, Moshi's iVisor Glass features an atomically-strengthened structure that is stronger than glass found in typical glass screen protectors. Completely scratch-proof, shock-proof, and bubble-proof, the iVisor Glass screen protector is practically a bullet-proof vest for your iPhone's precious touchscreen. Unlike other screen protectors that require a tedious installation process, iVisor's proprietary design allows for a flawless, bubble-free installation in seconds. iVisor Glass is made from a special type of glass that is atomically-strengthened and exhibits exceptional hardness exceeding that of tempered steel. This makes its surface nearly impossible to scratch, even with a knife. With its mere 0.3 mm thickness an
