ALUMINUM TYPE-C CLAMP HUB PRO SPACE GRAY

Hub USB-C / USB / SD & MICRO SD

REF : SA-ST-TCIMHM

EAN : 0879961007270

EXISTS IN : GREY

DESCRIPTION :

Exclusively designed for iMac Pro and iMacs (2017 & later) to add convenient access for all your most-loved ports and devices. The Satechi hub adds functionality to your desktop with a USB-C data port, three USB 3.0 data ports, and Micro/SD card readers.

STRENGTHS :

- Designed for 2017 & later iMac models with USB-C ports

- USB-C data transfer port - up to 5 Gbps

- Three USB-A data transfer ports

- Micro & SD card reader slots

CHARACTERISTICS :

Not suitable for iMac 24" M1 2021 due to design update.

To support iMacs from 2016 and older, please use a Type-A to Type-C adapter (sold separately).

USB-A data ports do not support CD drives, including Apple's SuperDrive, due to its power requirements.
