DESCRIPTION :

Inspired by the laid-back luxury of burnished leather boots and crafted in deep, rich tones, RelaxedLeather cases deliver smart, easy protection for your iPhone. Each genuine leather case is completely unique thanks to hand burnishing along the edges and corners. Inside, quilted interior microfiber lines a 5-sided recessed shell that keeps your iPhone like new. RelaxedLeather's refined yet relaxed style is just as comfortable tucked in jeans as it is pulled out of a 3-piece suit. As an added bonus, two pockets on the back of the case mean you can roll out the door with your iPhone, ID and debit card safely tucked into a beautiful leather shell. RelaxedLeather is sure to up your style game while it protects your iPhone.

STRENGTHS :

- Protects your iPhone with style
- Handmade finishes to make your shell unique
- Microfiber lining
