ETUI FOLIO IPAD 2 TAN

Leather folio case for iPad 2

REF : KN-14-072-TAN

EAN : 5055385402289

EXISTS IN : BROWN

DESCRIPTION :

The folio case is made of napa leather and solid plastic with a soft touch finish. It protects the iPad 2 while remaining fully accessible with openings made for all buttons, connections and the camera. The case also supports the iPad 2's power on/standby mechanism: as soon as you open the case, the iPad 2 turns on and when you close the case, it automatically turns off. The case is designed so that the iPad 2 can easily be put in an upright position or used as a stand when typing on the iPad 2.
