

LEATHER CASE IPHONE 11 PRO BROWN

Leather Case

REF : DE-D9IPOXIBC2CBN

EAN : 8719992410897

EXISTS IN : BROWN

DESCRIPTION :

The Decoded Leather Case for iPhone 11 Pro combines minimal design with maximum protection. Constructed with shock-absorbing materials to protect your device from small bumps and drops, the edges are slightly raised to protect your device from scratches. Featuring an all-new camera opening for iPhone 11 Pro; a newly designed 2-layer metal camera ring with branding. The volume buttons are finished in a matching polished metal and offer superior functionality. The iPhone 11 Pro case is made of premium full-grain leather that has a natural patina.

STRENGTHS :

- Made of full grain leather that develops a patina over time
- Drop and bump resistant TPU shell absorbs shock
- Metal buttons provide superior functionality
- Metal camera opening with branding
- High quality satin lining

COMPATIBILITY :

iPhone 11 Pro
