### DESCRIPTION :

Our Scout Series has undergone real-world military drop tests, ensuring it stands strong against the rigors of every day. Crafted with our signature durable armor shell and impact-resistant bumpers, this case is built to last. The minimalist design offers complete coverage without unnecessary bulk. Its open design seamlessly integrates with the tablets kickstand, maintaining full functionality while enhancing protection. The non-slip tactile grip provides a secure hold, reducing the risk of accidental drops and enhancing your comfort while working on the go. The comfortable hand strap adds a touch of convenience to your mobile computing experience. With a dedicated pen holder, your Surface Pen remains securely stowed yet readily accessible. The Scout Series is compatible with the Surface Go Type Cover Keyboard, making it the ideal companion for work or school. Seamlessly switch between tablet and laptop modes for ultimate productivity.
