

HORIZON 2 GREY

Bluetooth clock radio speakerphone

REF : HA-JBLHORIZON2GRYEU

EAN : 6925281971853

EXISTS IN : BLACK, GREY

DESCRIPTION :

Wake up to JBL Pro sound. The Horizon 2 JBL brings the finishing touch to any room with its rounded design, LED ambient lighting and DAB/DAB+/FM radio. The time, alarm settings and radio information are clearly legible thanks to the large LCD display, while the modern fabric upholstery blends in with any decor. Choose an alarm tone from our selection or opt for one of your favourite DAB, DAB+ or FM radio stations. The intuitive rotary control knob allows you to set and temporarily pause (snooze) alarms, adjust the volume or switch the ambient light on and off. With two convenient USB ports for charging your devices, the Horizon 2 JBL is the perfect bedside companion.

STRENGTHS :

- Customize your alarm tone
- Powerful JBL Pro sound
- Stay tuned to your favourite radio stations
- Stream your music with Bluetooth
- Ambient light
- Two USB ports for charging your devices
- Optimal visibility thanks to the large LCD screen
- Intuitive rotary control knob
