Cover for Samsung Galaxy Tab A7 10.4 (2020)

REF : GE-V11T59C35

EAN : 8720195091288

EXISTS IN : BROWN, BLACK

DESCRIPTION :

This Easy-Click 2.0 cover has been fully re-designed to be even thinner than before, without compromising on the protection of your tablet. Thanks to the perfect fit you can simply click your tablet into the strong plastic shell, which will secure it in place to protect your tablet from damage.

The cover features different stand positions, to make sure you always have the best viewing angle in any situation. The inclusion of an auto wake/sleep function means you'll never have to worry about turning the screen on or off again – the cover automatically does that for you when you open or close it.

The cover has all the appropriate openings to allow easy access to the various ports and buttons on your tablet. The camera can therefore also be used without removing the tablet from the cover.
