

FUEL SERIE 20W POWER BANK 10.000 MAH

10.000 mAh external power bank

REF : XT-FS401

EAN : 8718182275438

EXISTS IN : BLACK

DESCRIPTION :

Next Gen Power is here

This Power Bank has all the latest tech and new features that bring you Next Gen charging speeds. It has 2 USB outputs, and one extra powerful 20W USB-C that's designed to charge your smartphone faster than ever.

Fast. How fast?

This Fuel Series Power Bank can charge a brand new iPhone 12 up to 59% in just half an hour. Compared to using an old charging brick, this is up to 3x faster!

Developed with passion

At Xtorm we believe you should get joy and energy from using our products, which is why we put extra care and attention into the design and user friendliness of our power banks.

A design that feels good
