IVISOR MACBOOK AIR 11

Anti-glare Screen Protector for MacBook Air 11 Grey

REF : MO-99MO040903

EAN : 4712052312371

EXISTS IN : GREY

**DESCRIPTION :**

iVisor Air is the next-generation screen protector designed for Apple's MacBook Air. Utilizing Moshi's proprietary technology, iVisor is the only screen protector on the market today that can guarantee a bubble-free installation in seconds. Its new multilayer coating ensures absolute clarity while reducing glare, effectively relieving eye strain. Best of all, iVisor Air can be washed and re-applied repeatedly thanks to its new polymer adhesive.

Notes:

- Do not bend or fold iVisor. Crease marks are permanent and will affect performance.
- Don't throw away the original packaging and back sticker. Use them for temporary storage.

STRENGTHS :

- Proprietary technology ensures that iVisor Air is 100% bubble-free upon installation.
- Utilizes new multi-layered structure for greater clarity and sharpness.
- iVisor Air can be washed and reapplied repeatedly.
- Surface treatment provides enhanced scratch and fingerprint resistance.
- High transparency ensures minimal impact to brightness.
