

HOVERBAR DUO

Adjustable arm for iPad

REF : TW-12-2021

EAN : 811370023380

EXISTS IN : BLACK

DESCRIPTION :

HoverBar is an adjustable arm that lets you expand how you use iPad. At your desk, HoverBar's weighted base allows you to use it as a desktop stand alongside your Mac with SideCar to keep an eye on your calendar, stock feed or for hands-free FaceTime collaboration. Install the clamp onto HoverBar, and attach it to the ledge of your desk, tables or to your kitchen cabinets - holding your iPad up off the counter so you can follow a recipe while keeping your iPad out of the spill zone.

STRENGTHS :

Includes both weighted desktop stand and shelf clamp for maximum flexibility

Holds iPad up to two feet in the air and all the way down to the base

Perfect for hands-free video calls, 2nd screen Mac Sidecar, iPad kitchen use, etc

Creates a flexible iPad desktop workstation with external keyboard + trackpad

Fits all iPad models & sizes, even with most cases attached
