

Bluetens

BLUEPACK S X12

High quality electrodes 12 pcs

REF : BL-ELEC1201

EAN : 3760071200002

EXISTS IN : BLUE

DESCRIPTION :

The number of times the electrodes can be used depends on the condition of your skin (hair, skin type, etc.), where they are placed on your body and the type of treatment or care applied. For reasons of hygiene and to keep your electrodes in good condition we advise you not to share electrodes.

Use this kit to replace your worn electrodes.

CHARACTERISTICS :

3x4 eletrodes

Store in pocket out of direct sunlight, in temperature ideally situated between +5 et +27 °C
