

## SILICONE MAGNETIC TRACTION STRAP LITE OLIVE - 38/40/41MM

Strap for Apple Watch

REF : DE-D22AWS40TSL3SOE

EAN : 8720593002015

EXISTS IN : GREEN

### DESCRIPTION :

The Silicone Magnetic Traction Strap Lite is made from high-performance liquid silicone rubber. It has a seamless connection to your Apple Watch and is also water and sweat proof. The Silicone Traction Strap Lite makes use of a magnet system with a concealed closure for an easy and secure fit. The magnet system allows the strap to fit almost all wrists. The light weight and ultra-thin design offer ultimate comfort while the silicone rubber makes the strap durable, yet soft on your wrist.

### STRENGTHS :

- Designed for Apple Watch series 7 / 8 (41mm) / 6 / SE / 5 / 4 (40mm) / 3 / 2 / 1 (38mm).
- Traction magnet system.
- Concealed closure with an easy and secure fit.
- Lightweight and ultra-thin design for more comfort.
- Seamless connection to Apple watch.
- Made from high-performance liquid silicone rubber, water and sweat proof.
- Durable, strong and yet soft on your wrist.
