IVISOR SCREEN PROTECTOR IPOD TOUCH 4 BLACK

Screen protector for iPod Touch G4

REF : MO-99MO047905

EAN : 4712052312654

EXISTS IN : BLACK, WHITE

DESCRIPTION :

The white iVisor AG for iPod Touch G4 is an easy and reliable way to protect the front glass of your iPod. The cover installs by use of a polymer adhesive and can be readily removed to periodically wash the unit (Moshi recommends washing once a month). Its bubble-free installation means an even, easy to read iPod surface.

The surface of the iVisor is smooth and features their EZ Glide surface that permits maximum use of the touch screen. Ultimately, the iVisor provides excellent scratch and smudge protection. It comes with a microfiber cloth to help wipe your iPod surface clean prior to application of the iVisor. At a reasonable price and with Moshi's limited lifetime warranty, this cover will give you peace of mind when using your iPod.

STRENGTHS :

- Patented technology ensures simple, 100% bubble-free installation
- EZ-Glide surface treatment allows better touch screen maneuverability
- Surface treatment provides enhanced scratch-protection and smudge-resistance
- iVisor can be washed and reapplied repeatedly
