EAN : 856500011509

EXISTS IN : BLACK

### **DESCRIPTION :**

#### **Charging with MagSafe**

Designed with official MagSafe technology, Base One offers the fastest wireless charging yet. With 15W of power, charge up to 2 times faster than standard wireless chargers. That means less time charging and more.

#### **Every Detail Matters**

We take great care in everything we design. Base One features a solid metal body paired with a glass top, CNC-machined for precision, for an experience unlike any other.

#### **Grab and Go**

Weighing in at over 1 pound (545g), Base One stays anchored to your table when you're ready to grab your device and go. An elevated MagSafe charging puck allows you to wrap your fingers around your device for easy pickup.

#### **Charging Has Never Looked This Good**

Base One is available in two timeless colorways to seamlessly elevate any space.
