DESCRIPTION :

PanzerGlass™ for iPhone 13 Pro Max is a case-friendly screen protector made of flat tempered glass and covers the entire front surface of the device. The glass features full silicone adhesive which is carefully optimised to match the screen and features a smooth built-in camera cover.

This glass is coated with an active antimicrobial substance to make it resistant to bacterial and fungal spores. The antimicrobial ingredient kills bacteria and fungal spores on the glass and keeps you as the user protected. The coating is non-toxic. It is food safe and approved for use in the EU (BPR) and the United States (EPA).

- Proven to kill up to 99.99 % of most common surface bacteria
