PANZERGLASS ANTI-GLARE IPHONE 13 PRO MAX BLACK

AntiGlare screen protection

REF : PG-PRO2755

EAN : 5711724827556

EXISTS IN : BLACK

DESCRIPTION :

PanzerGlass™ screen protector for iPhone 13 Pro Max in black with Anti-glare glass features the same core benefits as original PanzerGlass™ screen protection. The antiglare glass reduces sun glare on the phone when placed outside or in brightly lit places.

This glass is coated with an active antimicrobial substance to make it resistant to bacterial and fungal spores. The antimicrobial ingredient kills bacteria and fungal spores on the glass and keeps you as the user protected. The coating is non-toxic. It is food safe and approved for use in the EU (BPR) and the United States (EPA).

The glass is case-friendly and will appear a bit darker than original clear PanzerGlass™.

Proven to kill up to 99.99 %
