R1 BLUETOOTH REMOTE

Bluetooth presentation remote

REF : SA-ST-BTPR1M

EAN : 0879961009328

EXISTS IN : GREY

DESCRIPTION :

Enhance your presentations with the Satechi R1 Bluetooth Presentation Remote. Featuring wireless Bluetooth connectivity, back/forward presentation controls, a black-out screen, and a convenient LED laser pointer to help highlight your key points, the remote helps you take full control of your presentations.

STRENGTHS :

- Features presentation control with back/forward clickers, virtual keyboard, and black out screen.
- Includes convenient red laser to highlight your most important points
- Equipped with wireless Bluetooth 5.0 connection
- Rechargeable USB-C design - includes charging cable

CHARACTERISTICS :

- **COMPATIBLE DEVICES**
2020 iPad Air, 2020/2018 iPad Pro, 2020/2019/2018/2017/2016 MacBook Pro, 2020/2018 MacBook Air, iPhone 12 Pro Max/12 Pro/12 Mini/12, iMac Pro, iMac, Mac Mini, and most Bluetooth-enabled Mac devices 2012 & newer. Due to its Bluetooth chipset, we do not recommend use with 2011 & earlier devices. Does not support Windows 10 devices.
- Supports PowerPoint, Keynote, PDF, Google Slides, and Prezi. For PowerPoint, an active Office365 subscription is required.

- CONNECTOR TYPE: Bluetooth 5.0
- DIMENSIONS & WEIGHT: 5.0 x 1.48 x 0.35 inches, 2.2 oz
