DESCRIPTION :

Civilian is a modern, rugged phone case for the modern wanderer in search of discreet protection. Engineered with a hollow hexagon structure to dampen and disperse the energy created when a mobile device collides with another surface. This cushions your precious phone when it slips out of your grip. Our patent-pending, lab-tested design is created by layering two shock-absorbing materials. Together with a raised screen surround, a precise fit, and thoughtful spine protection that moves seamlessly in both open and closed positions. Complete coverage in a thin and protective package.

STRENGTHS :

- Traction grip. Oversized tactile buttons. Integrated lanyard anchor (lanyard not included).
- Patent Pending device spine protection.
- Meets military drop-test standards (MIL STD 810G 516.6)
