DESCRIPTION :

Sun and beach are a great combination. Sun and screen, not so much. Until now that is. With the PanzerGlass™ Anti-reflective screen protector reducing reflections from the sun and artificial lighting you can always see what's on your screen, even when relaxing on the beach, chilling in the park or sipping coffee on a sunlit terrace. Accidental bumps against sharp-edged dangers in your pocket or crushing falls onto stone-hard pavements are also no match for this scratch and shock-resistant screen protector, which provides high-level drop protection. It even has a smudge-free coating with antibacterial effect that reduces traces of fingerprints and kills up to 99.99% of all common surface bacteria. The screen protector comes wi
