DESCRIPTION :

Protect your phone as well as your eyes with this Anti-blue light screen protector from PanzerGlass™. A true game changer for gamers and other screen lovers, this screen protector reduces the strong blue light from your phone that can cause eye strain, headache and fatigue.

Accidental bumps against sharp-edged dangers in your pocket or crushing falls onto stone-hard pavements are also no match for this scratch and shock-resistant screen protector, which provides high-level drop protection. It even has a smudge-free coating with antibacterial effect that reduces traces of fingerprints and kills up to 99.99% of all common surface bacteria.

The screen protector comes with an EasyAligner that makes installation so simple
