DESCRIPTION :

All you feel is the music

Take on your day one song at a time with JBL Tune Flex. These wireless headphones give you 32 hours of JBL's exceptional Pure Bass sound, while the ergonomic, water-resistant design keeps you comfortable all day, every day. A simple touch control lets you manage your calls and enjoy the best quality anywhere, without ambient noise. What's more, Active Noise Reduction and Smart Ambient technology allow you to both isolate yourself from the world and stay aware of your surroundings. The lightweight, open-ear design ensures all-day comfort and natural sound awareness. Best of all, the JBL Headphones app lets you customize your entire listening experience. Stay connected to your world, your way.
