A powerful sound. All day long

We just improved our most powerful portable Bluetooth speaker. Featuring a bold new design, the iconic look of the JBL Boombox 3 features a sturdy metal handle with silicone guards, two boomers designed with an iconic waterproof and dustproof fabric. It also features a new and improved interior design, with a new subwoofer that delivers much deeper bass and exceptional JBL Original Pro Sound, all with lower distortion. And 24 hours of battery life keeps you going from your morning workout to a nightcap with your friends. And for nearly unlimited sound, instantly connect multiple speakers using the JBL Portable app.
