DESCRIPTION :

Civilian protective cases are designed to absorb and disperse the energy created when the smartphone collides with another surface. They protect your precious phone when it slips from your hands. Our lab-tested product is created by layering two shock absorbing materials with a dynamic hexagonal pattern. This reduces the shock transmitted to your device on impact.

STRENGTHS :

- Reinforced shell made of ultra-light materials
- Soft, impact-resistant interior
- Easy access to touch screen and buttons
- Wrap-around, scratch-resistant design
- Apple Pay compatible
- Magsafe Case

COMPATIBILITY :
