DESCRIPTION :

The Easy-Click case is designed to fit your device perfectly, which means you simply insert your tablet into the sturdy plastic shell to hold it in place. The result is a stylish case that protects your tablet from damage. It allows you to place your tablet in a variety of positions for optimal use in many situations.

Optimal ease of use

The case has all the openings you need for easy access to the various buttons and ports on your tablet. So you can also use the camera without removing the tablet from the case, for example. In addition, thanks to a magnet integrated in the case, the alarm clock function of your tablet works automatically.
