DESCRIPTION :

A modern and sophisticated protective case for your iPad. The Lucent Series translucent body and contrasting progressive dot pattern serve up a superior style and is accompanied by serious military drop protection features. The two-piece co-molded featherlight construction and armor shell ensure protection against accidental drops. Important reinforced airsoft corners shield your iPad from scratches or dents. The folio cover doubles as a stand so you can turn your tablet into a laptop with ease. Safe and secure Apple Pencil holder to keep your Pencil close by while working. The Lucent case is essential for those who work from home, the office, or on the go.
