DESCRIPTION :

The Plasma Series case is meticulously designed for professionals who rely on their tablets both in the field and in the office. Featuring a rugged armor shell and impact resistant rubber bumpers for premium shock and drop protection ensuring your tablet withstands the toughest days on the job. The built in 360-degree rotational hand strap allows you unparalleled freedom and security while on the go offering a secure grip in any orientation. A sturdy built-in kickstand transforms your tablet into a laptop like workstation with ease perfect for presentations, or viewing content. The dedicated - pen storage allows you to keep your Surface Pen close by and secure. We've also included an optional shoulder strap giving you even more portability allowing you to transport your tablet hands free. More than just protection for your tablet; it's a premium comprehensive solution designed to deliver durability, mobility, and convenience.
