Strap for Apple Watch

REF : DE-D22AWS44TS1OE

EAN : 8720593002428

EXISTS IN : GREEN

DESCRIPTION :

The Traction Strap is a lightweight, ultra-durable, sweat-resistant, full-grain leather strap for Apple Watch. The brushed metal hardware is finished in a tone-on-tone color for a classic look. At only 1.5mm thick and 22.5cm long, the Traction Strap features our unique magnetic system that allows the strap to fit almost any wrist with precision and ease. The Traction Strap provides all-day comfort while concealing the closure system. Its classic design, light weight and ultra-thin profile make the Traction Strap your go-to band for... Apple Watch.
