DESCRIPTION :

Elevator's sturdy brushed aluminum and minimal design go great with any desk decor.

Elevator conforms to health and safety standards, making your laptop **safer** and **more comfortable** to use all day long. Healthycomputing.com, the premier source for office ergonomics, recommends positioning the top of your screen level with your eyes and sitting at least an arm's length from the screen. Both of these key ergonomic standards are made possible using Elevator with an external keyboard.
