Wireless Sport Headset with Bluetooth

REF : HA-JBLENDURRUN2BTBLK

EAN : 6925281953163

EXISTS IN : BLACK, WHITE

DESCRIPTION :

Performance matters, and when you wear the perfect headphones, nothing will get in the way of your workouts. The JBL Endurance Run 2 earphones deliver powerful JBL wireless sound to motivate you to push your limits with music. The ultra-convenient FlipHook™ system adjusts for a perfect fit in or behind the ear. With FlexSoft™ tips and TwistLock™ technology, these headphones are designed not to hurt your ear or fall out. They go with your every move with IPX5 certification so neither sweat nor rain can interfere with your workout. Capable of running for up to 10 hours straight, the JBL Endurance Run 2 Wireless Headphones feature a built-in microphone and remote control function for hands-free control of your calls and music. The magnetic tips simply hold the Endurance 2 Wireless earphones around your neck when not in use. Get the most out of your workout!

STRENGTHS :

- FlipHook™

This earbud attachment system lets you wear the earbuds in or behind the ear.

- They never hurt. They never fall out.

With TwistLock™ and FlexSoft™ technologies, these earbuds are lightweight and ergonomically designed for comfort and support, no matter what the sport.

- Waterproof

These headphones are designed to withstand your intense indoor or outdoor workouts in all weather conditions, thanks to the IPX5 rating.

- Up to 10 hours of wireless playback

Stream your music in high quality for up to 10 hours, without worrying about cumbersome wires getting in the way of your workout. When the battery runs out, enjoy an additional 1 hour of battery life with just 10 minutes of charging via the USB-C cable.

- Hands-free calling

A one-button remote with microphone lets you make hands-free calls, so you can stay focused on your workout. Just press the button twice to activate your favorite voice assistant.

- Magnetic tips

The magnetic tips make it easy to store your earphones after use.

- JBL Pure Bass sound

The dynamic 8.0mm driver in the Endurance Run 2 wireless earphones delivers bold sound with intense bass to give you the motivation your workout deserves.
