

NEO INK GRAPHITE BLACK

Stylus for Windows tablets

REF : AD-ADNEOIB

EAN : 847663024147

EXISTS IN : BLACK

DESCRIPTION :

Pixel perfect and magnetically attachable stylus. Compatible with most Windows powered tablets and 2-in-1 devices.

Magnetically Attachable

Attached to the side magnetically. No more rolling and Lost, more portable, and easier to organize.

Natural Tilt Support

You can tilt your Adonit Neo Ink against the screen to virtually create a "shade" effect in a drawing with specific brushes.

Pressure Sensitivity

For a natural writing experience, vary your line thickness with subtle changes in pressure. Our advanced technology supports up to 4,096 levels of pressure sensitivity.

Shortcut Buttons

Programmable shortcut buttons give you easy, one-touch access to the most used tools: erase and right click.

Native Palm Rejection

Rest your palm comfortably on the screen while you write. Adonit Neo Ink supports palm rejection, so you don't have to worry about leaving stray lines.

USB-C Charging

While Writing Adonit Neo Ink uses a USB-C for charging. You can charge while you write! A full charge provides 130 straight hours.
