EXISTS IN : BLACK, SILVER

DESCRIPTION :

Introducing JBL T290 in-ear headphones with JBL Pure Bass Sound. They're lightweight, comfortable and compact. Under the aluminum housing, a pair of 8.7mm drivers punch out some serious bass, reproducing the powerful JBL Pure Bass sound you've experienced in concert halls, arenas and recording studios around the world. In addition, a single-button remote lets you control music playback, as well as answer calls on the fly with the built-in microphone, making the JBL T290 your everyday companion for work, at home and on the road

STRENGTHS :

- Premium aluminum Build : The earpiece housing is crafted from aluminum, making it lightweight but rugged.
- JBL Pure Bass Sound : For over 60 years, JBL engineered the precise, impressive sound found in big venues around the world. These headphones reproduce that same sound JBL, punching out bass that's both deep and powerful.
- One-button remote with microphone: Control music playback with a convenient one-button remote. Got an incoming call ? Answer it on the fly with the built-in microphone.
- Tangle-free flat Cable : A flat cable that's durable and won't tangle up in knots.
