Screen protector with privacy filter

REF : MO-99MO085019

EAN : 4711064645231

EXISTS IN : CLEAR

**DESCRIPTION :**

Umbra for MacBook Pro 14" (2021 - M1) is a screen protector with privacy filter that not only protects your screen, but also the content displayed from prying eyes. Umbra gives you peace of mind by securing your data. Unlike other privacy protections that require special fasteners or tabs, Umbra is easy to install, guaranteed 100% bubble-free and can also be cleaned and reapplied multiple times for long-term use.

STRENGTHS :

- 10 YEAR WARRANTY
- 50-degree viewing angle reduction, protecting the displayed content from prying eyes
- Washable and reusable.
- Easy to install and guaranteed bubble-free. No fasteners required.
- Ultra thin, does not interfere with the complete closure of your computer.

CHARACTERISTICS :

Compatible with MacBook Pro 14" (2021 - M1)

COMPATIBILITY :

MacBook Pro 14" (2021- M1)
