PHOENIX NC TWS SOLAIRE GOLD

Noise Cancelling TWS Solar earphones

REF : UR-1037150

EAN : 7350088304907

EXISTS IN : BLACK

DESCRIPTION :

Unleash the power of light with Urbanista Phoenix, the world's first solar powered earphones with a streamlined charging case integrated with Powerfoyle™ solar cell material. Using advanced green technology, the earphones continuously recharge when stored in the self-charging case and exposed to any light, whether natural or artificial. Completely wireless and lightweight, Urbanista Phoenix lets you experience a truly wireless future liberated from cords and charging cables for full freedom of motion. The earphones feature advanced hybrid active noise cancelling technology and noise-reducing microphones that filter out ambient sounds so you can enjoy music and crystal clear calls even in crowded spaces without distractions.

STRENGTHS :

- Always charging when exposed to indoor & outdoor light
- Hybrid active noise cancelling
- Transparency mode
- Multipoint connection
- Playtime 8 hours
- 34 hours battery reserve
